FIFTH SUNDAY IN ORDINARY TIME

Year A

7th/8th February 2026

Dear Brothers and Sisters,

Welcome to The Fifth Sunday In Ordinary Time.

Going to the margins

With the images of salt and light, Jesus says what he expects from his followers. They don't need to be always thinking about their own interests, their own prestige, their own power. Even though they are a small group in the huge Roman Empire, they are the «salt» and the «light» that the world needs. "You are the salt of the world." The simple people of Galilee spontaneously knew what he meant. They knew what salt is good for: giving food flavour and conserving it from spoiling. Just so, we need to contribute to helping people find the savour in life. "You are the light of the world." Without sunlight, our world would stay dark and gloomy. Jesus' disciples can shine a light to probe the meaning of life, to walk with hope.

These metaphors have something vital in common.

If the salt stays in the shaker, it doesn't do its proper work. Only when it dissolves in the food can it give flavour to what we eat. The same thing happens with light. If it stays closed up and hidden away, it can't enlighten anyone. Only when it shines out in the dark can it illuminate and guide. A church isolated from the world can be neither salt nor light.

Pope Francis called on Catholics today to "go out to the margins." He preferred a church that is "bruised and dirty because it has been out on the streets" to one that is "clinging to its own security, caught up in a web of procedures." We can't hunker down in our structures with passive hope. The Gospel invites us to run the risk of meeting face to face with others. It wants to promote a culture of encounter, because what our church needs today is to heal wounds and to warm hearts.

ST PAT'S NANANGO –Prue Clarke, APRE

In our starting weeks of Religious Education, our students have been deepening their understanding of our school's heritage and faith story.

Our learning has included Saint Patrick, the patron saint of our school. Students explored his life as a brave missionary and how his courage, kindness, and steadfast faith continue to shape our school community today. Understanding why our school bears his name helped students make meaningful connections to our identity and values.

We also spent time learning about the priests after whom our sports houses are named: Fr Bergin, Fr McGinley and Fr O'Callaghan. Students remembered how each house honours a priest who served faithfully within our parish community. By learning about these remarkable men, students gained a deeper appreciation of the heritage and mission that shape our school community.

It has been a wonderful week of connection — linking our school's identity, our history, and our shared faith story, and the remarkable individuals who built the foundations we stand on today.
